

Уважаемые родители!

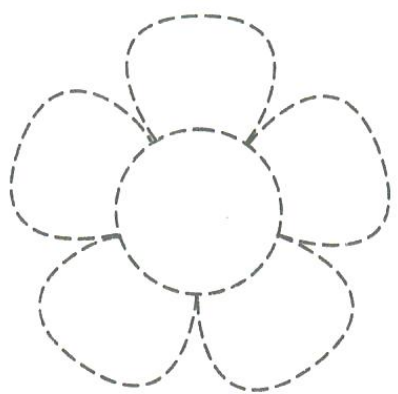

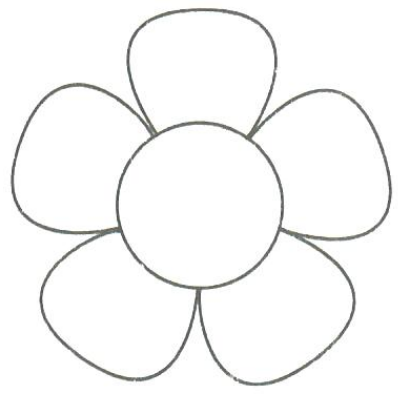

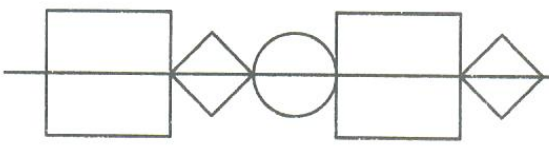

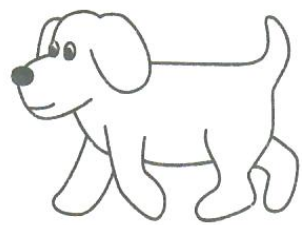

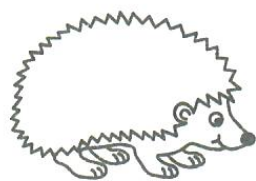

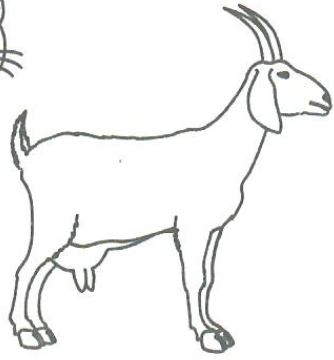

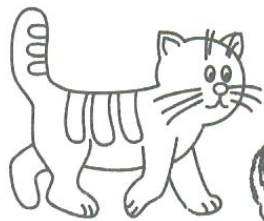

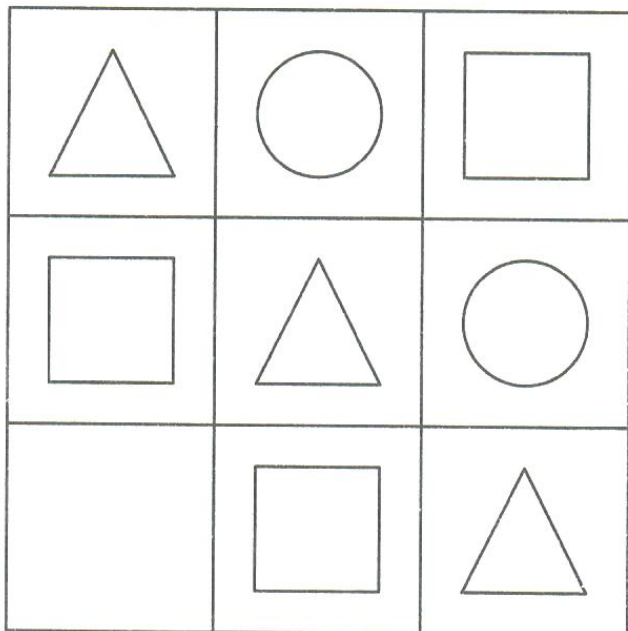

Предлагаем вашему вниманию тетрадь, которая поможет развить внимание, память, мышление. Тетрадь предназначена для детей 2 класса для проведения практических упражнений на занятиях по "Сенсомоторике".

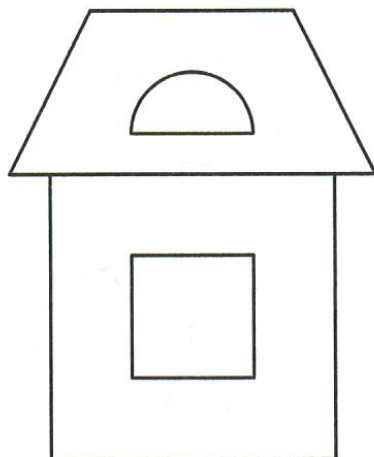

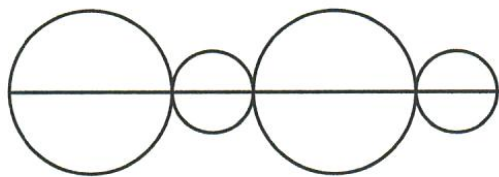

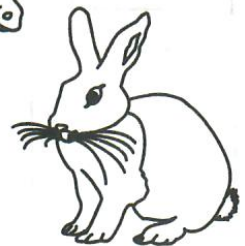

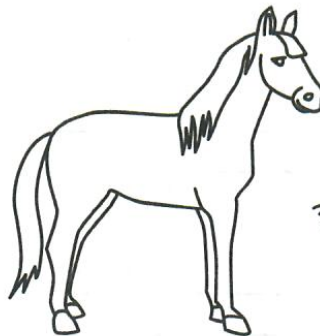

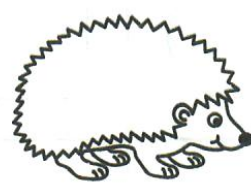

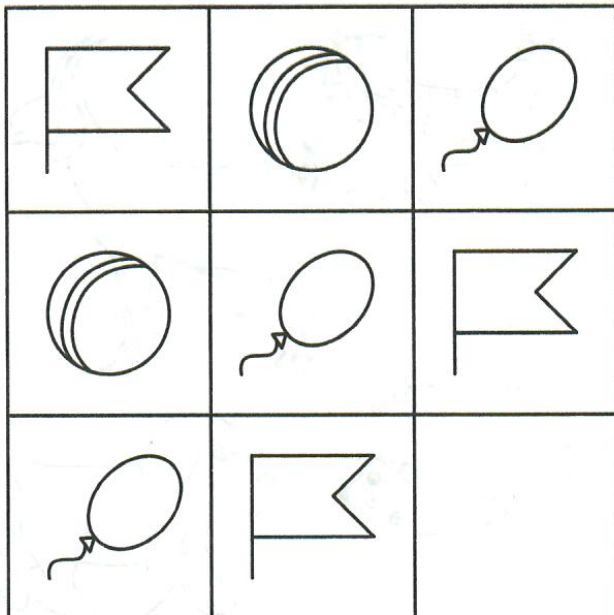

На каждой странице вы найдёте 4 задания:

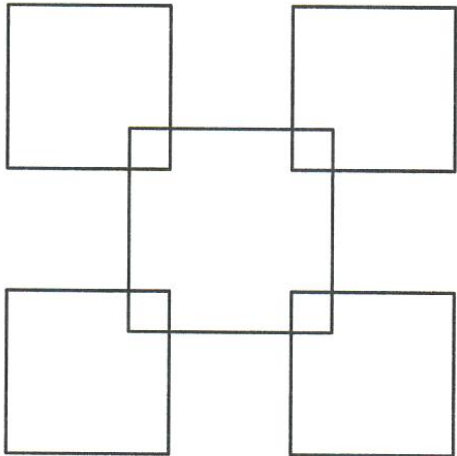

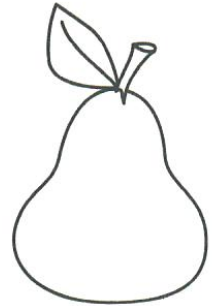

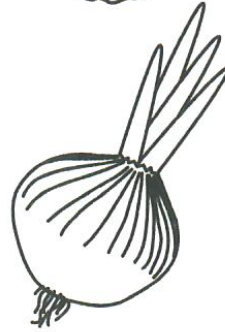

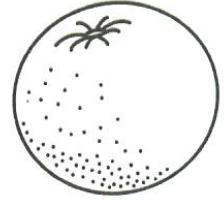

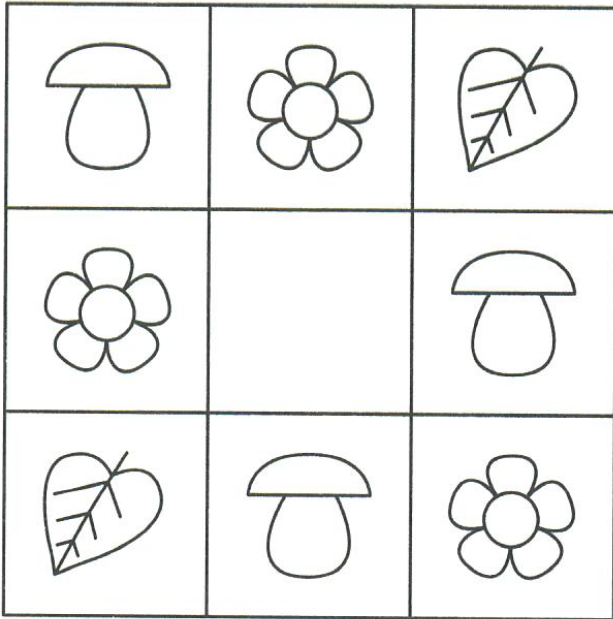

- 1) Найти закономерность расположения фигур в 9-и клеточках и дорисовать недостающие.
- 2) Назови лишний предмет, раскрась предметы, которые подходят друг другу.
- 3) Продолжи ряд фигур в такой же последовательности.
- 4) Постарайся в точности передать изображение фигуры.

Не забудьте похвалить ребёнка за старание!

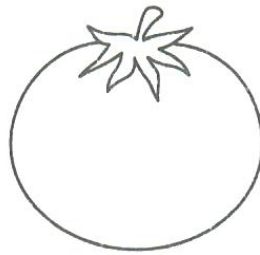

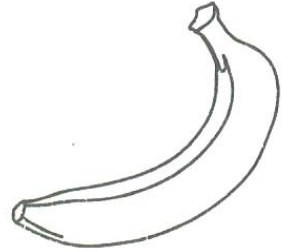

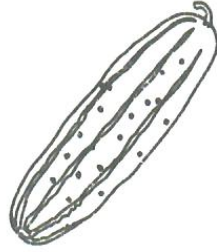

Желаем успеха!
