While the jury is deciding who the best is we'll sing a song about friendship.

The more we get together.

The more we get together, together, together

The more we get together, the happier we'll be

For your friends are my friends

And my friends are your friends

The more we get together, the happier we'll be.

Oh, how's for getting friendly, both your friends and mine?

If your friends like my friends

And my friends like your friends;

We'll all be friends together, now won't that be fine!

Dear friends! Today you have learned a lot about your friends from Great Britain. Through acting you've learned to help each other overcome hardships. Though you are from different forms you have become real friends.

Let's listen to our jury and congratulate our winners. Thank you.
