Listening (Script)

You will hear the information about some holiday events for schoolchildren. Match the events from 1 to 3 and the places A, B, C or D. There is one extra place. For questions from 4 to 9 complete the table. You will hear the information twice. You have 40 seconds to look at the task. [pause 40 seconds].

Before the news, we have a little information about some events during the school vacation.

A. First of all, the zoo has an event for children called 'Monkey Madness'. Children can spend time in the monkey cages and play with the smaller animals. It's a great opportunity for the kids to get really close to the monkeys. Now, when is this event? Well, it's on Tuesday, from 10.00 until 4.00. Tickets are only available for children and they cost two dollars. You can drive there and the parking lot is free.

B. Right, the next event is called 'Feed me, feed me now'! and is at the children's farm in the south of the city. It costs five dollars for adults, but children can go free. And what happens? Well, you can feed the animals, everything from ducks and goats, to pigs and cows! You can drive to the farm, where there's a small parking lot, or travel by train. The station is only five minutes away. And it's at this weekend, Saturday and Sunday. Doors open at 9.00 a.m. Closing time is 5.00 p.m.

C. Finally, we have a special event at the city museum called 'Find the Facts' and this is series of educational events about animals. Every day, these are talks and guided tours of the natural history collection, which include a few dinosaurs. Grrrr! 'Find the Facts' runs all week, from Monday to Friday from 9.00 until 6.00. The museum entrance is free, but there's a charge of one dollar for each talk or guided tour. To get to the museum take buses 55 and 78 which stop is in front of the museum.

So, there are some ideas for things to do this vacation
