

# The Tour to Germany

- On the first day we travelled by bus to Saint- Petersburg, then we flew by plane and arrived in Bogen. Our German friends met us and we went to their places.

# The First day

# The Second Day

- We came to the school in the morning. We made new German and Finnish friends and played together. And then we walked around Bogen, visited the police office and made badges with fingerprints. After that my family and I travelled to beautiful town Shtraubing.

# The Third Day

- We spent the third day with our families. As for me I was invited to the Wild West Park in Pullman City. I learned a lot of amazing things about traditions of the west.

# The Fourth Day

- On the fourth day our students met the principal of the gymnasium.
- Then we climbed the Bogenberg. The guid told us about the history of this place and showed us the museum where there were a lot of unusual and interesting things to see.

- After that we went to the Town hall, where we had meeting with the mayor of the town.

- At 12:45 we came back to our family. At 16:00 we met together in the youth centre. We played games and ate pizza there.

# The Fifth Day

- Firstly we had the tour of the school and then we were taught physics by the German teacher. After that we travelled to Dingolfing, to the BMW factory. We saw how people work and make cars.

# The Sixth Day

- On the sixth day we visited Regensburg. We had a tour of this wonderful city.

# The Seventh Day

- We visited Glass blowing factory and Bavarian forest in the afternoon.
- At 18:00 we had a nice party at school. We could taste different German and Russian dishes. We had a lot of fun dancing and singing, playing and taking pictures.

# The Eighth Day

- We came back to Sortavala on the eighth day. We got to airport Munic by bus. We had some sad adventures at the airport, but then we were lucky to catch the plane to Saint-Petersburg.

- We had an exciting tour. We made new friends and learned a lot of interesting things about Germany.

- A lot of thanks to our principal and our English teachers for organization of this wonderful and unforgettable tour.
- The presentation is made by:  
Maria Shelest, the 7<sup>th</sup> form.
