Greetings,

My name's Alex and one day I found a notice on a local site advertising your Book Reading Club and I was very interested. 26

To start, I really like reading different books and literature, such as manga, in fact, most of my free time goes to reading! Sadly, none of my friends share this interest, so I want to join the club to make others interested in reading and make friends. PF

I am ready to help ideas happen I recommend advertising different genres of books in many places, so everyone can find a book for themselves! 100

I'm interested you, write back.

Best wishes,

Alex
