Dear readers,

O.T.

I ^{spell} experienced an amazing adventure last sunday.

I was hanging out with my best friend Ben. It was afternoon. We were walking around our city when the rain started. Unlike me, Ben ^{gr} hate rain. He saw a strange building with an opened door and ^{log} decided to hide from the rain in it. We didn't see what was inside of the building because it was really dark in there. After a few minutes we became bored and decided to explore the building. Ben turned on the ^{spell} Flash light on his phone and we ^{spell} started looking around us. It seemed like it was an abandoned pet shop. After a few ^{spell} seconds we started to hear strange noises coming from the outside. After we ^{gr} looked back, we found out that the door was closed. Me ¹⁴⁰ I and Ben were terrified. We ¹⁵⁵ slowly started to approach the entrance. Ben said: "You know what my biggest fear is? It's ^{gr} ghosts!" Once After we opened the door we saw a cute little cat. Don't fear things that doesn't exist! think logically. ¹⁷⁶
