The picture of a dear Friend.

Taking pictures is my hobby. Digital pictures are not my cup of tea, I prefer using the Film. I have a photo album filled with pictures that are important to me, but one picture is special.

My cousin has been my best Friend since we <sup>50</sup> were toddlers. We used to be inseparable. I know I always can trust her. We would see each other every day.

Once upon a time she came over to my house. We had tea, laughed, played video games, and while we were talking, I took her picture. At that <sup>100</sup> moment we didn't know this was the last time we <sup>were hanging</sup> out together before she moves across the country.

I developed that picture only after she left the town. The picture is very dear to me and holds kind memories. ~~(Me and my cousin hope to see each other soon again!)~~
