Dear diary,
Today was the most horrible day of the summer holidays!
My friends and I decided to explore one house with
some scary vampires. My friend, my best ever friend
Steve went to the house first, where was a lot of
traps in this house, but my friend Steve was very
brave. He tells us, what house was empty, no vampires
or monsters there. Sally, my close friend, ~~she~~ went
to this house too, she ~~wanted~~ wanted to find her friend,
but she is gone. We ~~have~~ go, ~~and~~ have to go and
find her.
Dear diary, my friend Bob and Lily has found
Sally's clothes! Is she still alive??? We are
very happy about her.
Dear diary, it's 8:33, I think I can solve
that case. Sally is the vampire! That's why
Steve doesn't saw anyone, because Sally was outside!
Also, vampire's hairs was just like Sally's hairs!
And they are have the same voice!
OMG, my friend is a vampire!!
Oh, what shall I do?!
