## Horrible adventure

A group of students with their teacher decided to go on a trip on weekends. Their destination was a lake, which was near an old village. They wanted to find out more about this mysterious place, since a lot of people were talking strange rumors about it. So, they set off on Friday's evening.

"It's so hot here! Does this bus have air-conditioning or something? I'm almost covered in sweat!" asked Bethany.

"I don't think so, Bethany, but you can open the window which is next to you, I guess" answered Mrs Macphail. It was a long way to that village, but when they finally managed to get there, it was night-time already. The teacher has booked rooms in a hotel, although students couldn't see anything in the dark and couldn't find it.

"Is there a hotel here?" asked Mrs Macphail.

Davieson gave a low chuckle. "There's no ~~t~~." "What shall we do then?" asked Ronnie, while switching on her mobile phone to check <sup>the</sup> internet connection. Unfortunately, it didn't work.

"I don't know. We need to find someone and ask them how to get to the hotel, guys. Oh, look! There's someone in bright shiny clothes!" answered Mrs Macphail. They approached a man, who was standing and looking at the moon with a serious look on his face. The students became really quiet when they saw his face. It was white, just like in some horror movies. They thought he is a ghost and they were terrified. The teacher was calm, though. She asked him a question, after that the man pointed at the hotel, which suddenly appeared.

Then, the group of people went to that cursed hotel. Surprisingly, it was really nice inside. Some students were confused about what happened before, so they asked Mrs Macphail.

"Ah ha, guys, did you forget that ~~it's~~ <sup>it's</sup> Halloween night is today? I thought you were aware of that. The man probably was wearing a ghost costume, that's all, no need to be scared." said Mrs Macphail and went to her room.

When the students woke up next day, they found their teacher's corpse, all covered in her blood. Next to it, there was a bloody message: "Happy Halloween :)"
