Dear diary,

Today WAS the MOST horrible day of the summer holidays!

First, I woke up. Everything WAS okay UNTIL MOM said that we're OUT OF MILK! I love milk and NOT drinking A cup in the morning makes me sad for a whole day.

Then I ATE breakfast with a sad face and went outside. My friend got sick somehow so I'm all alone today. After a while I decided to go to the forest. My bike made A STRANGE sound all the way but I didn't do anything.

Finally, the forest showed up. Some time passed and I was happily climbing trees. In one second I heard a creak and then the stick I was climbing just fell down! My arm hurt, and I went home, completely forgetting about my bike!

When I got home, it was dark outside. My mom asked "Where is your bike?" And that moment I knew I screamed up.

Now my bike is lost, my arm hurts and my mom is mad...  
Oh, what shall I do?!
