

И как бы ни был горько,
 Нам счастливо не случалось нас.
 И будет будущее нам
 Даром!

The world is a
 big stage,
 and all of us
 here on it
 are players.
 Some of us
 are the
 main characters,
 some of us
 are the
 extras.
 But all of us
 have our
 parts to
 play.
 So let's
 get on
 with it
 and make
 our parts
 count.
