Nowadays graffiti is very popular among the young people. Many teens think that it is an art, but others think that it is vandalism.

To my mind, graffiti is a form of art because graffiti makes houses, walls, roofs of buildings more beautiful. In addition, graffiti made talented people. They make our cities more attractive. The young people make graffiti to express themselves. They want to do our world more unusual.

However, there is another point of view on this problem. The opponents consider that graffiti is vandalism but not art because they can see ugly pictures on fences. It makes them feel shame. They think that graffiti only spoil fences.

In conclusion I want to say that graffiti helps the young people to create art and it is an art.
