AND TRIZ INSTITUTE

SOME OF OUR ACTIVITIES

- This year, we signed a strategic cooperation memorandum between Azerbaijan Aviation Academy and IMTI.
- At the end of this year, we will organize The Second Innovation Management and TRIZ Conference in Baku again.
- With the support of Azerbaijan Aviation Academy, we are planning to establish an Altshuller Museum in Baku.
- As publishing activities, we will publish the book “Innovation and Innovation Management in 100 Questions”, of which I am one of the authors, and with three Turkish and 2 Azerbaijani academicians.

INNOVATION MANAGEMENT
AND TRIZ INSTITUTE

INNOVATION MANAGEMENT AND TRIZ INSTITUTE

VISSION:

To contribute directly to the economies of Azerbaijan and Turkey to become an “Innovation-Based Economy” by conducting research, preparing plans, programs, trainings, publications, and developing and designing management systems.

INNOVATION MANAGEMENT AND TRIZ INSTITUTE

MISSION:

- To prepare plans, projects, systems design/development and programs to assist Azerbaijani and Turkish companies, government agencies, regions for developing international innovation capabilities,
- Ensuring the commercialization of intellectual property owned by institutions (university, academia, institute, etc.) that produce information and technology in Azerbaijan and Turkey, with innovation projects,

INNOVATION MANAGEMENT AND TRIZ INSTITUTE

MISSION:

- Furthering the innovation culture of Turkey and Azerbaijan through conducting research, publication, conferences, workshop etc. organizing events,
- Being the “Think Tank” organization of Azerbaijan and Turkey in the field of innovation.

TRIZ SUMMIT 2022

THANK YOU!
